Bio Born in Steubenville to Gladys & Bill Cullison. Sister Vickie was in the 1968 class at Wintersville. We went to Wintersville schools from 3rd grade on. Graduated and went to West Liberty with a degree in Graphic Design & Journalism.

Married Geary Clutter, divorced after 11 years. Married again for 30 years and divorced. During that time, I moved to Houston in the Fall of '76.

Worked in graphic design for several oil companies and then started my own business, Spectrum Creative Inc. (graphics Design). Work out of my house for various clients such as Credit Unions, and Car Dealers, & oil related businesses.

Last year I started a 501© non-profit for homeless dogs & cats in Houston (Stretch for Strays Inc.). That is my hobby along with home improvement and gardening.
