Bio Married Barbara Johnson, also a Wintersville graduate (Class of 1971), in 1975. Move to Rochester where I worked for Xerox Corporation as a manufacturing engineer for 37 years. Barb was an educator her whole career as a guidance counselor. Had two daughters, Vanessa and Chelsea.

Both married and have children. One living in Pa. and one in N.J.

I retired in 2008 and a year later moved to Bluffton, SC. Haven't played basketball in 20 plus years but can still shoot. Hmm...well maybe. Ball is in the attic somewhere.

Live in SunCity Hilton Head Community. Great place. Can't imagine living anywhere else. Close to Savannah, Charleston and Asheville. Lots of sun and warm weather, theatre, restaurants, golf, tennis, pickle ball, biking and the ocean a few miles away. As for now, everything I do is physical. Haven't thought about slowing down yet.
