Army Wife: Husband was in the Army

A year after graduation I moved to Columbus, Ohio, where I worked in the data processing department of Capital Finance. I met my future husband in February, 1971. We married in October of that year. By then he had enlisted in the army and was stationed at Ft. Monmouth, New Jersey. We were there for about a year. Then we lived on Okinawa from September, 1972 until June, 1974. Back to Columbus. I worked at Columbus Showcase Company in various departments for the next 7 years. I took some time off and became a lady of leisure in 1981. Matt was born in 1985. What a blessing. It was great being a mom. We moved to Sunbury in May, 1988. Carolyn was born a few months later. I went back to work as a preschool teacher from 1990 - 1995.

Bio I helped open Noah's Ark Learning Center, a Christen daycare, in Sunbury, Ohio. From 1996 - 2006 I also worked at Broadway Bounce Dance Center to help support my daughter's love of dancing and competition career. I am still at Noah's Ark Learning Center as Office Manager, at least until December, 2017. After that I will cut back to part time and see how that goes.

As great as being a mom is, being a grandmother is even better. I have 3 wonderful grandchildren: Lexi, 8 years old; Lane, 6 years old; and Grace, 1 months old. All are children of my son and his wife. Carolyn and her husband have 2 French bulldogs, Toby and Ollie
