U.S. Armed Forces

Bio I worked for the FBI in Washington, DC after graduation and before marriage.

I married Larry Reed, class of 69, in October 1970 and relocated to Norfolk, Va, where he was stationed in the US Navy. Our oldest daughter, Kelly, was born here in 1974. Kelly remains in Pgh with her husband and two daughters.

Relocated to Pittsburgh, Pa, in December 1977. Moved into my grandparent's home and raised our daughters in the house where I spent most of my formative years. Daughter Jenny was born in 1979. After both daughters were in school all day I began work (1985-93) with Equibank as a teller, then working in new accounts and small loans.

Relocated to Mason, Ohio, in 1993 for Larry's work. I began classes at the University of Cincinnati in 1994 and also worked on campus in a program for adult students. I graduated summa cum laude in 1999 with degrees in Criminal Justice and Education. After graduation, I was hired as an adjunct professor and I also began work with the YWCA; working with battered women and men who battered. I was a court advocate for the women and led classes in addictions and healthy family lifestyles for the men in both the Warren and Clermont county jail systems.

I was awarded a full scholarship to the School of Social Work program and graduated in 2003, with a Master's degree in Social Work—Health and Gerontology. After

graduation, I continued teaching and also accepted a position with Jewish Family Service providing social activities to seniors and also did individual, group, and family counseling with seniors in Cincinnati. In 2011, this position was cut due to loss of federal and state funding. I then accepted a position with Easter Seals working with disabled seniors in the community. In 2013, this employer also lost funding due to federal budget cuts, so, I was again unemployed.

I divorced Larry in 2013, was now single, jobless, and 62—I decided to begin retirement. I have enjoyed having more time to be with family and friends and live close to my youngest daughter and four grandchildren. I volunteer, maintain my own home—yardwork and all! I love to decorate my home and have done some travel. However, there are still a few places on my "Bucket List" that I would love to visit.

I have recently reconnected with Mal McKenzie by phone and with Bonnie Higgins and Sandy Lucas in person. Not sure where the past 48 years have gone—we all chat and enjoy one another and it seems as if we were teens again—well, almost!! We are still an amazing and great class act!!
