Bio I worked as a Speech Therapist in Ohio after college. Jim and I met in Columbus, Ohio where we married in 6/79 and then moved to Colorado Springs CO in 12/80. We both were in Sales there for 10 years before we moved to Vancouver WA and worked for 20 years in school fundraising with a division of Readers Digest Corp. We retired and moved in 2010 to Cottonwood AZ. We enjoy bicycling and hiking and recently relocated to Bluffton SC 1/17. We now spend our winters there and summers in Pagosa Springs CO. We have family in Bluffton, Hilton Head, Columbus, Covington, KY, Pittsburgh, and New Jersey. We look forward to learning more about the "low country" where we now live after almost 40 years "out west".
