Bio We lived in Ohio until 1988 then we moved to Fort Myers, Florida. Where we lived for 24 years. While living in Florida I worked as a Program Director at a retirement community. I also worked for a non-profit as a credit counselor. I purchased land for a home builder and before retirement I worked for State Farm Insurance. When we retired we moved back to Ohio, we are living in Galloway near our son and his family. We plan to spend some winter months in Avon Park, Florida near our grandsons.
