Bio Three weeks after graduation I was hired at Weirton Steel where I spent the next 35 yrs.

Got married, raised 2 children Jason and Dawn, went to Jeff tech, sold real estate at Bethel agency, got divorced- married - divorced- and in 94 married again, ceremony conducted by Rev. David Sperry. A treasured memory.

Left area in 2004 after WSX bankruptcy. Moved to Cape Coral, FL where I worked for Home Depot and in 2006 started with City Electric Supply, distributor of electrical products where I am still employed.

Raised 2 more children Logan and Mason both in college, got divorced.

Still a Steeler & Buckeyes fan and forever a follower of Jesus Christ.
