Bio Following graduation in 1969, I attended and graduated from Jeff Tech with an Associate degree in Business Management. Shortly before graduation from Jeff Tech - I met and married the love of my life - Elizabeth (Wass). We have been married for 46 years and have 3 grown sons and 4 beautiful grandchildren.

Shortly after my wife and I married and after a few short term jobs, I began working for Goodyear Tire & Rubber Co. I worked for Goodyear for over 40 years (you can tell I hate change). I had a great career with Goodyear which allowed my wife and I to travel and of course we had several moves along the way living in Ohio, Pennsylvania, Delaware and finally Florida where we currently live. While working for Goodyear I completed my bachelors degree at Malone College in Canton, OH.

I retired a few years ago from Goodyear and got a Florida Real Estate license. Have not done much yet with real estate but that could change.

My wife and I have started to travel a bit more and are enjoying the Florida lifestyle.
