Bio I was married to Paul H. Nuzum from 1970 to 1977. We have 2 beautiful daughters, Lisa and Natalie.

In 1986, I married George L. Spillers, who had been widowed with three children, Leigh, Priscilla and George, Jr. (Jobe), who are like my own. We have been happily married for 31 years. George is a retired Judge and Professor Emeritus at West Liberty University.

We have eight grandchildren, who presently get all our attention. They are our life. Wheeling, WV is our home but we have a home in Lakeside, Ohio and split our time between the two places. We have 4 grandchildren in each city.

I enjoy golfing, cooking and watercolor painting. I have been blessed with a very happy life!
