Bio I have lived in Texas for thirty years.

Worked at Levi Strauss & Co, Dillard's department store, and now at Mardel's Christian bookstore.

I enjoy giving back to others, reading, movies and especially love the theater. I have the honor of being able to attend a lot of the local theaters. I spend time with my 3 grandchildren, they wear me out but it is a lot of fun.. I do some traveling but pretty much a home body.

I live a simple life and do not caught up in drama, live is to short. I look at everyday as a gift.
